

DIS-13 Supplement 3

Reporting supplies of distributed human medicinal products - Appendix 3

This supplement replaces Appendix 2 with effect from 02. 03. 2016.

The State Institute for Drug Control has decided that it will continue to use alternative method of sending reports DIS-13th

The deadline for sending the message is moved to the 15th day of the following month. By the same date the distributor sends reports in complete form, you will not need replenishing. Any repairs based reporting can be done by the 20th of the month.

For distributors in replacement mode still be two ways to send a report:

1. In form of XML file sent to informatika@sukl.cz. After processing reports it is confirmed by an e-mail.
2. Set up reporting via web form to the site SIDC: <http://www.sukl.cz/modules/dis13/login.php>.

Web form is enhanced by the following functionalities:

saving unfinished or final report ("**Save**" button) – marked "**uložit**"
loading and editing unfinished message saved ("**Edit**" button) – marked "**upravit**"
erasure saved and not sent message ("**Delete**" button) – marked "**smazat**"
view sent messages ("**Detail**" button) – marked "**detail**"

Notice

Access to reports within the guideline DIS-13 is only in Czech and it is appropriate to cooperate in creating reports with a person knowledgeable in this language.
